

Éminence Organic Skin Care
Compatible skin care for patients undergoing oncology treatment

Pamper and replenish sensitive skin with organic skin care from Éminence Organic Skin Care. Éminence products contain up to 95% organic, over 70% certified organic, natural, wild crafted, plant derived and biodynamic® ingredients grown without the use of synthetic pesticides. Éminence combines more than half a century of herbal craftsmanship and innovation with Hungarian inspired healing to offer proven treatments that help reduce sensitivity, inflammation and improve skin integrity of those undergoing cancer treatments.

Our products are proudly free of parabens, animal by-products, propylene glycol, sodium lauryl sulfates, harmful colorants and fragrances, mineral oils, petroleum, and other harsh cosmetic chemicals.
